6 x Lodestar DC D8+ F 250 kg
1 x Kinesys digital hoist control with remote

POWER

Part from power to drive in house equipment, there is power as follows:

220 V under stage

1 stk. 3x63 A CE under stage, stage left

1 stk 3X63 A CE backstage, stage left

Mobile PSU (supplied with 63 A) with various outlets

You can not draw full supply from all sources simultaneously.

There is no 110 v

STAGE

Please see drawing

Height: 76 cm

Width:

6,65 m between columns

8,90 m from edge to edge

Depth:

If artist brings backdrop:

4,4 m from front stage to backdrop

Clearance depends on truss height

There are tie beams 2,72 m and 5,60 m from stage floor surrounding the stage.

There is an additional 1,10 m depth with reduced clearance, 2,72 m (behind backdrop, if backdrop)

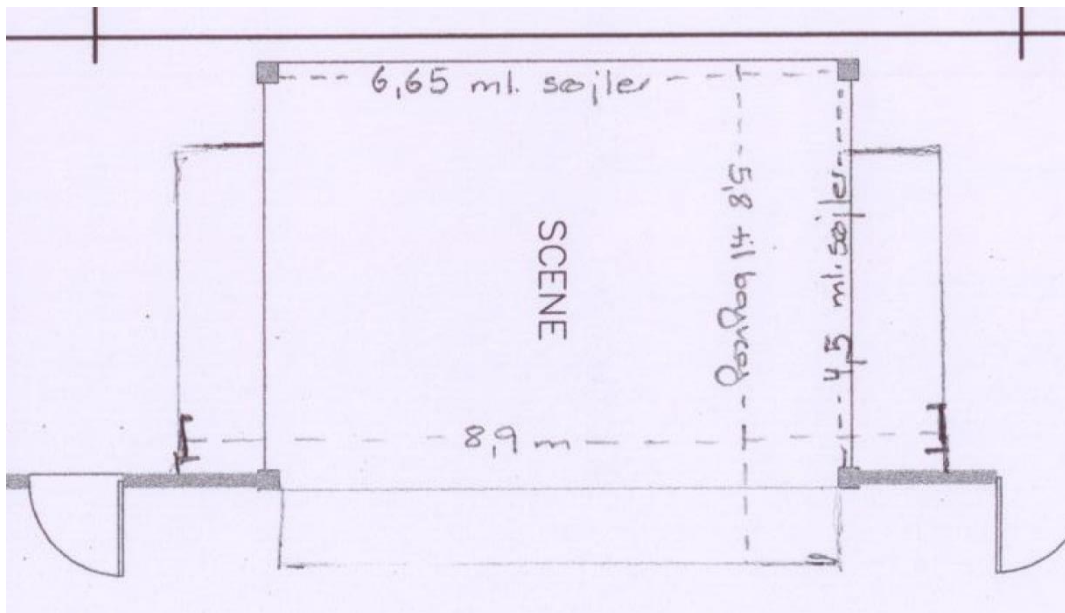

All measures differ slightly, since it is an old house

FLOORPLAN, STAGE:

SL

DOWNSTAGE

SR

UPSTAGE

RISERS

8 risers in all (1x2 m)

legs in fixed sizes:

Ben i faste størrelser:

75 cm (for max 6 risers)

30 cm (for max 6 risers)

20 cm (for max 5 risers)

PROJEKTOR, CAMERA, AND SCREENS

Projector (HDMI acces from FOH or stage, stage left.)

screen on back wall

screen on each side of the hall, where show is transmitted with fixed camera position (no recording)

GREEN ROOMS / DRESSING ROOMS

SMALL GREEN ROOM (1st floor)

Room with direct access to stage:

Kitchenette

Table with 6 chairs.

Mirror, Vanity table, 220 V power

Refrigerator

TV

Private shower and toilet

"THE MAIL WAGGON" (ground floor)

"The mail wagon" is a train waggon from 1964, which has been turned into a green room.

From the wagon there is direct access to the backstage and stage area, about a 4 meter walk under half roof.

Seats for 20 dining people

Small kitchen. Lounge. Toilet.

MERCHANDISE BOOT

Depending on the use of the hall, merchandise boot can either be in a passage between the hall and the entrance hall (see picture), or it can be placed in the entrance hall. The placement depends on the fire rules for the particular show and set-up. It is always the venue staff that decides the possibilities for placement.

Please notice, that we can not provide credit card or cash change facilities. Please be aware, that many persons in Denmark do not carry cash, only a credit card.

All tax and VAT issues concerning merch sales must be handled by artist.

MERCH BOOT IN PASSAGE:

DRIVING ACCES, PARKING & SHORE POWER

Free bus parking at rear end of the building (at load in). Shore power 16 CE single phase. 3x16 A is possible by prior agreement.
